BetterNight is a quick and convenient source for addressing suspected sleep apnea, which is linked to increased risk of heart attacks, strokes, hypertension, diabetes, and vehicle accidents.

With online doctor appointments, sleep studies completed from your home or on the road (chain of custody included), and therapy when and where you need it, BetterNight is the better solution. BetterNight accepts most insurance plans and offers easy payment options to best serve you.

Let our 25 years of experience help keep you on the road, with testing to treatment in as little as one week!
